## Student Visa/ Entry Permit (<https://fytgs.hkust.edu.hk/visa>)

The online application for student visa/entry permit will be available to the Fall entry in February 2023.

Please submit your student visa/entry permit application as soon as possible and allow sufficient time (normally at least 8 weeks) for processing. Non-local students would need to have obtained a student visa/entry permit before they may proceed to register as a student.

In case you have accepted multiple admission offers at HKUST or in institutions in Hong Kong, please note that the Immigration Department will only consider one application for pursuing a particular program in a specified institution.

Special note to new students of Kellogg-HKUST EMBA / HKUST EMBA / DBA / MBA / MSc in Global Finance programs:

Your Program Office will have special arrangements to assist you with the student visa/entry permit application and you don't need to submit such application through the online system.

If you have further questions, please email [applymsgf@ust.hk](mailto:applymsgf@ust.hk) with screen capture(s) of error to facilitate our responses.

***Thank you!***
